

## Important Allergies and Dietary Information

**Please inform us before ordering of any allergies you may have so that we can help you decide. We will do our best to accommodate your dietary requirements.**

Common allergies guide in our menu

These will be highlighted on menu dishes

**Peanuts      Cashew nuts      Sesame**

**Celery** is one of the ingredients in vegetable stock, used in our kitchen.

Please be aware that **wheat flour** is one of the ingredients in making soy sauce, oyster sauce and chili sauce, which are used extensively in our cooking.

**Gluten Free *GF*** Many dishes are gluten free or can be altered. Please check before ordering

**Seafood/Shellfish.** Fish sauce, shrimp paste and oyster are essential ingredients in our cooking and will be used in many of the dishes in this menu. Please inform us before ordering if you have any allergies.

### **Chillies**

Not all Thai dishes are chilli hot. Some dishes tastes better with chillies , some will loose their characteristics without them and some dishes will just wouldn't work with or without chillies. The symbols below are rough guides to the chillies level in the dishes.

● Contains tiny traces of chillies but you may not feel it at all

 A little hot     Hot     Extremely hot, for the brave and the adventurous

**Eggs *Egg*** – The dish contains egg

### **Vegetarians / Vegans.**

Due to the nature of Thai cooking, fish sauce, shrimp paste, eggs and oyster sauce are used extensively as essential ingredients or flavourings to our cooking but please don't worry as some dishes can be cooked/altered for vegetarians and some for vegans.

**\*\* PLEASE ASK FOR VEGETARIAN / VEGAN MENU**

### **Other notes**

\*Many of the accompany sauces contains chilies or are hot

\*Food may contain MSG

\*Please be aware that fish, chicken, duck and other meat may contain bone

\*We cannot list all the ingredients in our menu, if you are not sure or wish to know what's in your food please let us know. We will do our best to assist you.

\*We try our very best to make our food as authentic as possible. Some dishes may be very spicy, strong tasting, pungent or even strange but we will very happy to assist you in ordering.

\*Due to the food being cooked to order, sometimes they can not be rushed and will take some time to cook especially during busy times. We apologize in advance.
