### สวัสดีครับ สวัสดีค่ะ

Welcome to Anissa's Thai Kitchen

Our philosophy here at Anissa is Eat, Drink, Relax and most importantly we want you to do it the 'Thai' way.

#### EAT

We love our food and we want to share it with you. At Anissa's, you're sure to be treated with fresh, home cooked and authentic Thai food. The food you're about to encounter are some of the most popular 'street food' dishes found throughout Thailand.

We're unique. A lot of the food on the menu will be new to you and some you won't see in any restaurants in the UK. We also love to talk about our food and can suggest tasty dishes to suit novice and seasoned diners alike so please ask our staff for assistance and recommendations.

When you dine with us here, you are promised the finest, best local produce and ingredients.

Being in the New Forest we are lucky that we're surrounded by the freshest of ingredients and produce. Meat and eggs from local farms and butchers, seafood from the Hampshire coast and locally grown vegetables and mushrooms.

We use these fantastic local ingredients alongside our exotic Thai herbs and spices to create these special dishes but without compromising the true Thai techniques and tastes.

#### DRINK

We love to drink when dining with friends. Enjoy our cold Thai 'Chang' beer, explore our extensive selection of wines from all corners of the world or taste refreshing gin cocktails

#### RELAX

When you have good food, good wine and good company... what else can you do but relax. Sit back and let us entertain you. Enjoy your time here with us.

#### LIKE A THAI

Thai food in the UK has, over the years, been over adapted and some may suggest 'westernised'. We're here to offer alternatives. At Anissa's, we'll take you to another dimension of Thai culinary culture. When dining with us, just imagine you're in Thailand. Please don't be afraid to try new things and don't be shy to use your fingers!

The menu may be new to you but please take it from us that these are the kind of foods that Thais love to eat and we would love to share it with you.

So relax, be brave, be bold...be Thai and enjoy your meal
